NEWSLETTER NO. 2 (December 2011) **STOP PRESS –Christmas gift EARLY BIRD REGO CUT OFF DATE NOW EXTENDED TO 31 JANUARY 2012. Get your registrations in @ \$300 NOW. NOTE: this will NOT be extended again**

We are now well advanced in our planning for Aussie Nash Hash 2013 with over 260 registrations from over 75 different Hash Chapters in Australia and overseas.

Aussie Nash Hash Brisbane 2013 Inc. advise that due to costs involved (which can be better spent on supplying Hash essentials such as beers, wines etc) and technical issues we have decided not to activate a system of on-line registrations. While this may be inconvenient to some the savings made will be substantial . Please email or post rego forms and records of payments receipts to the above email or PO Box address and check to ensure that your name should then appear on the rego lists within 5-7 days after.

All our updates are now on the official Aussie Nash Hash 2013 Web Site and we are doing regular updates which will provide all details you need to know.

ANSWERS TO SOME COMMON QUESTIONS:

VENUE: We have already confirmed bookings at 3 different sites – all in the central Brisbane area and also have some other back up sites also within a kilometre of central Brisbane plus a Red Dress venue site. The final site will be chosen based upon the best and most suitable deal available to Hash at the time.

ACCOMODATION: We will be negotiating with various suppliers to ensure good deals for Hashers from 2012 onwards. We also have a site north of Brisbane reserved for those with caravans and camper trailers who wish to camp – we will arrange shuttle buses for them to attend Nash Hash events and return . Check the Web site for details

RUNS: To be set by most Brisbane Hash Clubs in the greater Brisbane and surrounding areas and will include a variety of terrain and levels of difficulty/fitness.

REGISTRATION: What your hard earned \$\$\$ will get you (Friday dinner, Saturday lunch & Dinner, Sunday Breakfast), All drinks & grog from Friday night to Sunday morning, transport, entertainment including bands and Hash acts, goodie bag, magazine and promotions There maybe other hash specials and extras added also. . Check the web site for the grog sponsors www.nashhash2013.com

POST & PRE LUBES: Hash groups from the Gold Coast and Sunshine Coast now have pre and post-lube runs and we expect to have wine and brewery tours to the Stanthorpe and Toowoomba areas also.
