Run Report

Gotabit's Run

What a run!!!!!! No, I can't call it a run, it's Boogie reporting, I will call this run a HILLBILLY HIKE. - Thought I was back in Mississippi.

What a beautiful property overlooking Mandurah, Rockingham and Perth.

Once again it was great to have our neighbor's (Mandurah), joining us for a combined run. (but still having trouble forming a circle and following the rules of Hashers. Almost there but we are still having to teach them.

We went up hills, down hills, stepping over rocks, climbing over gates, under wire fences, fighting flies etc. Now you can see why I did not call it a run.

We were so glad to see that drink stop in the middle of the long driveway, and we were served champagne and strawberries, Just needed that so we could make the hike back up to the top of the hill.

Gotabit got a 10 for the run - well deserved as it was an adventure and different. Enjoyed by all !!!!

Uncle Fester was all fired up, telling us all to look on site for info (I agree) - trying to get everyone in order!!!

Well done GM, but I do think you might have been a little menopausal HA !!!!!

We had some good jokes, lots of laughs !!!! Now we don't know how long Smurf will be having the clown pants, (Smurf has broken the record of consecutively having the pants.)

Oh Well Smurf, better luck next week you Clown!!!!

Thanks from all, for a great night Gotabit - for the food drinks etc, well done.

Boogie is out of red wine. Where were you Squat to do this report????? Love me long time!!!!!!

On On ,
Boogie
